How the Lord led us to FLORIDA

Spending a year in Branson, MO with Doulos Ministry gave me a desire to use what I learned in my next position. Upon completing my time at Doulos, I began looking for a job. The Lord showed me that He wanted me to go into full-time ministry.

Upon hearing about OHOP, we knew that this is what we were supposed to pursue. Our hearts really connected w/ the vision, so we began seeking confirmation from the Lord.

We got confirmation over and over again. It wasn't just one particular thing. In every area of our life God was telling us this was His will. The toughest thing I had to face were my fears of moving, and finding partners who would pray & support us financially.

However, my wife was very

encouraging & persistent that we follow God's will no matter what! I agreed with her!

After talking with Autumn & giving my fears to the Lord, I had so much faith and peace about the move that we rented the truck to move, and started making plans. We moved 3 weeks later.

Once we arrived in Florida & went to OHOP for the first time, I really felt God confirm that 'YES! This is where we're supposed to be!' It's the feeling of being home, even when you're not in your own house.

Since we've been at OHOP, the call to be here has continually increased. I know the Lord is going to bless the ministry He has called us to at OHOP! Would you consider partnering with us?

What is Forerunner School of Ministry (FSM)?

Before going on staff full-time at OHOP, I will be participating in a short (4 mo.) internship. This includes spending 20 hrs/wk in the prayer room, learning about OHOP's Core Values, and participating in various forms of ministry & outreaches.

We are excited to grow & learn as a family at OHOP in the following ways: prayer & fasting, worship & ministry, & most importantly FAITH! FSM exists to equip in a way that enables us to be Forerunners

with God's message to His bride, the church. It's a message of intimacy w/Christ, the importance of 24/7 intercessory prayer & worship, being grounded in the Word, recognizing the end times, & ministering & evangelizing by the power of the Spirit!

Would you prayerfully ask the Lord how He would have you partner with us in this Ministry? Whether through Prayer or Finances? God Bless you!

Autumn's Answers

Since we've been here, I've learned a lot about prayer. I've come to realize that prayer is often how God chooses to work in situations; it's the catalyst. It's how we do battle in the spirit. God could just choose to do it, but He is a relational God and wants us to participate and be a part of what He is doing. He wants us to cry out, and seek His face.

Often times in order for things to happen in the natural (people getting saved, healed, etc.), the work has to be done in the spirit first through prayer.

We dressed up for Chick-Fil-A's Cow Appreciation Day, for participating we all received FREE Value Meals!!!

Kids' Corner...

Rebecka:

Has several new friends. She recently turned 6 & we were able to throw her a small party w/her new friends. She even got to pick out her own cake & candles!!!
Rebecka will start home-schooling soon. Last year she did adding, subtracting, spelling, printing, & some Spanish. This year she'll be in 1st grade & is hoping to take some classes & go on field trips with her new friend Mariana.

Andrew:

Finally has another boy (Micah) to hang out with. Andrew really enjoys going to Micah's house to play with his trains & drum set!
For the first few weeks we lived in Florida, Andrew was still adjusting to the idea of what Florida was. When we went to the store, church, or a friends house he would always ask 'Mommy are we in Florida now?' Or 'Is this Florida?' (Asking about our house)

Rachel:

Has been really enjoying all the pets at the Canuso's house. She will walk right up to Indy (the dog is at least 2X her size) & the birds to pet them! No fear of being bitten!

Aaron:

Recently Aaron celebrated his 4-month-old anniversary! He is growing fast. He is cooing constantly & is nearly rolling over & holding his head up on his own!

Rachel has really enjoyed dancing in the Prayer Room & is learning how to give everyone kisses! Very Cute! Recently she also had her first molar come in!

Recently this started causing a problem, since we like to keep him on the Canuso's table away from all the animals! (We are house-sitting for the Canuso family.)

In Zechariah 4:6, it says, "Not by might, nor by power, but by my Spirit, says the Lord of hosts." It's the power of the Holy Spirit that heals and changes people, not our good works. We just need to be obedient.

I already knew some of this, but I would say that my eyes have been opened more and I have received revelation from the Lord concerning it.
